

ShowingTime Showing Index®

South Region Report

Methodology: The ShowingTime Showing Index® measures showing traffic per residential property for sale by agents and brokers utilizing ShowingTime solutions for property-access management. A higher number means that an average home receives more buyer visits in a given month. All index values are scaled relative to initial index value set to 100 for January 2014.

Summary	November 2024	October 2024	November 2023	Percent Change
The Showing Index in the South Region was down 11.4 percent when compared to November 2023.	96.1	99.1	108.5	-11.4%

November
